Wanted!

1852 - 1952

A great heritage of the Church is embodied in the DeKoven Foundation, which provides an opportunity to groups or individuals for quiet, study, prayer and retreat; also for conferences.

Church men and women who are interested in the furtherance of this work are cordially invited to become

“Friends of DeKOVEN Foundation”.

“Friends” function by enlisting the support of others, encouraging by example the use of the Foundation for the extension of Christ’s Kingdom.

“Friends” agree to pray for God’s blessing on the work and make an offering, small or large, annually toward the cost of maintenance and upbuilding.

You can continue the 100 years of work associated with the saintly life of James DeKoven, priest, scholar, educator and great spiritual leader by becoming a “friend” yourself and enthusiastically interesting others.

Checks should be made payable to
